Ways to save

With your Quadient postage machine, you automatically **save 5 cents on every letter** you send vs. stamps.

Seamlessly access **USPS Commercial Base discounts** on Priority Mail, Priority Mail Express, and First-Class Packages by printing USPS shipping labels (IMpb) from the shipping and mailing solutions from Quadient.

Consider First-Class Package Service (FCPS) for your packages weighing less than a pound. FCPS offers significant savings vs. Priority Mail and vs. other major carriers. By printing the trackable label with Quadient, you qualify for First-Class Commercial Parcel savings. The weight limit for your First-Class package also increases from 13 oz. to 15.999 oz when printing the trackable label.

Certified Mail with Electronic Return Receipt (E-RR) offers the same benefits of the traditional “Green Card” without the need for manual processing. With E-RR all signatures are stored digitally, and you **save \$1.20 per piece**.
