## Ways to save

With your **Quadient postage machine**, you automatically **save 3 cents on every letter** you send vs. stamps.

Seamlessly access **USPS Commercial Base discounts** on Priority Mail, Priority Mail Express, and First-Class Packages by printing USPS shipping labels (IMpb) from the shipping and mailing solutions from Quadient.

Consider First-Class Package Service (FCPS) for your packages weighing less than a pound. FCPS offers significant savings vs. Priority Mail and vs. other major carriers. By printing the trackable label with **Quadient**, you qualify for First-Class Commercial Parcel Savings. The weight limit for your First-Class package also increases from 13 oz. to 15.999 oz. when printing the trackable label.

**Certified Mail with Electronic Return Receipt (E-RR)** offers the same benefits of the traditional “Green Card” without the need for manual processing. With E-RR all signatures are stored digitally, and you **save \$1.25 per piece**.
